About IFA

The International Fiscal Association was founded in 1938. IFA's objective is the study and advancement of international and comparative law in regard to public finance, specifically international and comparative fiscal law and the financial and economic aspects of taxation.

IFA is the only non-governmental and non-sectoral international organisation dealing with fiscal matters. IFA is a unique neutral and independent platform where representatives of all professions and interests can meet and discuss international tax issues at the highest level.

IFA members are tax professionals from the government, business, judiciary, academia, tax advisory/ legal practice, and non-governmental organisations.

Welcome to Stockholm

Dear IFA friends,

On behalf of IFA Sweden, it is my pleasure as President of the Local Organising Committee to welcome you to the 79th Annual IFA Congress, which will take place in Stockholm, Sweden, from 19 to 23 September 2027.

This is the third time that Stockholm has the pleasure to host an Annual IFA Congress. Previous Annual IFA Congresses were held in 1967 and 1990. Stockholm, one of the most beautiful capitals in the world, is sometimes called the Venice of the North, with Lake Mälaren to the west and the Baltic Sea to the east, water surrounding the city and its medieval Old Town. There are many ferries in all directions, for instance to the Stockholm archipelago with tens of thousands of islands.

The Congress venue is the centrally located Stockholm Waterfront Congress Center, only a few steps from the central train station and many hotels. In most cases participants will be able to reach the Congress venue, city and social events by foot, and there are buses, metro and commuter trains close by. A direct train will take you from the airport to Stockholm in 20 minutes.

We expect the Annual IFA Congress to attract more than two thousand participants from all parts of the world who will be offered a very interesting and relevant scientific programme as well as a social programme covering highlights of Swedish culture. Welcome to the IFA 2027 Stockholm Congress! We look forward to seeing you here.

Bertil Wiman

As Chair of IFA Sweden it is my privilege to welcome you to the 79th Annual IFA Congress in Stockholm. There will be a social programme designed for a unique experience of Stockholm. The opening ceremony will take place at the Waterfront Congress Center followed by a reception. The museum evening will be devoted to the museum of the 17th century warship Vasa that sank on its maiden voyage and was retrieved from the bottom of the sea. Another evening will highlight some interesting aspects of Swedish culture. There will of course be a YIN Party, with music and drinks at the traditional ballroom of Berns.

The closing dinner will be served in the Blue Hall at the beautiful City Hall where Nobel laureates celebrate after receiving their awards for outstanding research. The evening will end with dancing to ABBA music in the Golden Hall.

Alongside the organised events, Stockholm offers great opportunities for private seminars and events to be arranged before, during and after the Annual IFA Congress.

Come and enjoy the Nordic spirit at the IFA 2027 Stockholm Congress!
