The IFA/OECD Seminar addresses the major developments in the International Tax arena. There will be an update from Mr Pascal Saint-Amans-Director of the Centre for Tax Policy and Administration at the OECD and Mr Achim Pross-Head of the International Co-operation and Tax Administration Division at the OECD, of the work that is currently underway at the OECD.

The Panel will focus on the current Pillar One and Pillar Two proposals, their status, implementation and timelines, policy considerations and critical analysis.

The Panel will consist of two segments which will examine Pillar One and Pillar Two, with panelists from major Government representatives, academics and corporate representatives.
