

The Chairman of International Fiscal Association, Mauritius is pleased to invite you to join:

INTERNATIONAL TAXATION WEBINAR

11 September, 2020 13 00 - 17 00 (GMT + 4)

Taxing the Digital Economy Current developments and challenges

Distinguished Speakers

Mr. Rajesh Ramloll, SC

Mr. Ramloll is the Chairman of the International Fiscal Association, Mauritius branch. He has been involved in tax treaty negotiations and has also served several times as an OECD tax expert assessor and is a regular speaker at tax conferences.

Prof. Philip Baker QC

Prof. Baker is the visiting professor of international tax at Oxford University and also tax QC practising from Field Court tax chambers. He has appeared in cases before courts and tribunals at virtually every level from first instance to the House of Lords, Privy Council and European Court of Justice.

Prof. Parthasarathi Shome

Prof. Shome is the Chairman International Tax Research and Analysis Foundation, Bangalore. He worked previously as Chief Economist, Her Majesty's Revenue and Customs, and adviser to the Indian Finance Minister.

Dr. Richard Collier

Dr. Collier is a Senior Tax Advisor at OECD, working on the digitalisation of the economy, with particular reference to the ongoing "Pillar 1" work stream. Prior to joining the OECD, he worked on tax policy matters at the Centre for Business Taxation in Oxford.

Mr. Mario Hannelas

Mr. Hannelas is a former director of Large Taxpayer Dept at the Mauritius Revenue Authority (MRA). He is currently a technical adviser on international tax matters at the MRA.
