

## Invitation to 2020 IFA Korea - Korea Tax Conference (Webinar)

# 2020 IFA Korea - Korea Tax Conference (Webinar)

Nov. 26 – Nov. 27, 2020

Dear IFA Friends & Tax Professionals,

As the President of IFA Korea, I would like to invite you to the 2020 IFA Korea – Korea Tax Conference (Webinar) which will be held virtually from November 26 to November 27. Building on the notable success of the 2019 Korea Tax Conference, IFA Korea has decided to promote and develop the tax conference as a useful forum for its members, Korean companies, and foreign tax communities to discuss various themes and trends within the broad subject area of Korean tax developments. IFA Korea earnestly desires to provide you with an opportunity to exchange insightful ideas and broaden your network on a face-to-face basis. However, unfortunately we have no choice but to hold the tax conference this year on a virtual basis, due to the pernicious influence of COVID-19.

The two-day conference features many significant tax topics and developments, and will give you an opportunity to refresh or deepen your understanding, particularly on the following subjects:

- ▶ Korean Government's 2020 Tax Reform Package:
- ▶ International Tax Case Law Update:
- ▶ Recent Trends in Korean Tax & Customs Audits:
- ▶ Transfer Pricing Developments:
- ▶ Recent development of digital tax rules in the world including OECD Unified Approach:
- ▶ Outbound Tax Planning.

I look forward to your active participation in and enjoyment of this tax conference, even in the virtual space.

We very much look forward to being in contact with you soon.

Should you have any question,
