

# IFA Webinar Pillar Two: an Update

Tuesday 24 May 2022, 15.00 – 17.00 hours (CET)

The discussion regarding the implementation of global minimum taxation (Pillar Two) has recently captured a lot of attention at the OECD, the EU and the international level. Public consultations are ongoing regarding issues raised by the implementation of the GloBE Framework. Against this background this Global IFA webinar will provide the latest insights regarding global minimum taxation.
