About IFA

International Fiscal Association (IFA) is a leading non-Governmental international organization dealing with tax matters since 1938. Its members comprise of corporate, tax professionals, Government officials and academicians and it is a unique forum to discuss international tax issues.

IFA has grown to a truly global association with 13,000 members from 118 countries. IFA has 71 Branches worldwide. For members in countries where an IFA Branch has not been yet established, IFA facilitates direct membership. IFA is engaged in the study of international laws and policy through scientific research, holding of annual Congress, publication of its cahiers and other materials and co-operation with other like-minded organizations.

IFA Congresses are attended by judges of the Supreme Court of different countries, senior Government officials, jurists, academicians, tax professionals, etc. The recommendations of IFA Congress are respected by Governments the world over.

The India branch of IFA was established in 1983 and has over 650 members. The IFA India branch includes as its members the Central Board of Direct Taxes, the National Institute of Public Finance and Policy, and the Reserve Bank of India.

Representatives from public and private sector undertakings and eminent tax professionals and executives are also part of IFA India branch.
